

Tuesday, 20 February 2024

Dear Parents/Carers,

On Friday, 15 March all current Year 6 students will be attending our Year 7 'Taste 'N See' Experience Day. This day will give students an opportunity to 'experience' some Year 7 classes as well as meet other prospective students who may be joining their cohort in 2025.

Your child will come to school as normal, in their school sports uniform and attend their regular class to start the morning. They will then join with other prospective Year 7 students from about 9.10am. All students will be provided with morning tea and lunch during the day. If your child has a particular dietary requirement, please email this to joannedickinson@ncs.nsw.edu.au

From 9am, we will be greeting prospective parents and students outside the MPC Gallery. I would like to encourage you, if you have time, to also join us for a tea or coffee. It would be lovely to have some current families there to chat with new families.

From 12.25pm, we will also be hosting a BBQ lunch outside the MPC for Year 6 students and their parents. If you are able, you are more than welcome to join us for this lunch too. [RSVP for coffee and BBQ essential](#) by completing this form. <https://ncsform.live/24Y>.

On Monday, 18 March we will be holding a Year 7 Information Night from 5.30-6.30 pm. All current Year 6 parents/carers and students are invited to attend. Some of the topics we will be covering during the evening include:

- Welcome from Principal
- The journey through Secondary
- Co-curricular opportunities
- Introduction to BYOD
- Question time

We kindly ask that ALL parents/carers complete [this form](#) by Friday 8 March 2024, even if you are unable to attend, as there is important information we need to capture on the form regarding your child. Thank you.

Kind regards,

Graeme Jolliffe
Principal
