DTM News 2018 February

Welcome Back!

For those of you who are new to Nowra Christian School and for those returning, I hope you have had a wonderful start to the term. It has been great to see students settling into their new classes and enjoying many fun activities. This year we are very pleased to welcome 11 new Defence families and 16 Defence students to our school community.

There will be a number of opportunities throughout the year for Defence families to connect. The first of these events will be a parent morning tea, on Tuesday 20 April. It would be great to see you there.

As Defence families, we tend to expect the unexpected, particularly when it comes to last minute training courses, deployments and postings. So we are better able to support you and your family during these times, I would encourage you to let class teachers and myself know that there will be a change in circumstances that may affect your child's ability to cope.

Welcome to the Shoalhaven!

Defence Community Organisation is hosting a family expo at the Fleet Air Arm Museum.

ADF members and families are invited to join us for a day of family fun. A range of community groups and organisations will have stalls. We will have displays by the Parachute Training School and helicopters, along with a variety of fun activities, including jumping castle, water slide, petting zoo, bucking bull, face painting and more. Buy some delicious food and relax to the sounds of the Navy Band and Albatross Musical Theatre Group.
